

Senior Yearbook Photo Information

for 2010 seniors and parents in the Edmond Public School District

Your senior year is quickly approaching, and the time has come to schedule your senior yearbook photograph. If you are wanting a professional photographer to take the yearbook photo, please call and schedule your appointment as soon as possible to ensure availability of appointments. This may be taken by any photographer you choose that has the correct background. A complete list of photographers in the area that have the required background is included below. Any senior photo submitted that was not taken with the correct background will be rejected, and the picture used on Picture Day will be used instead.

Students are expected to comply with the school dress code when deciding what outfit to be photographed in for the yearbook photograph. All students will dress in either Sunday attire or business casual. **Boys will wear collared shirts and girls are to wear discreet necklines.** Clothing that is see-through, strapless or spaghetti strapped is not to be worn. **T-shirts for either girls or boys are not appropriate** for this picture.

Photo shoots should be scheduled **no later than September 29**. Please schedule your appointment at least two weeks prior to the deadline of October 13, as availability may be limited. Photos must be received by the school by October 13. If the photograph does not meet specifications or if it is not submitted by October 13, then the yearbook photograph taken by the contracted photographer at school will be used.

Some local photographer's openings fill up fast, so we encourage you to schedule in the summer.

Please note that your senior may take a *free* yearbook picture with the required background on Picture Day at each Edmond high school.

As of May 1, 2009 the following photographers have purchased the required background for the senior picture:
